PRACTICE AREAS

We focus on working with our clients in a personalized manner to benefit the development and growth of their businesses, as well as the security and management of their assets. Our partners, counsels, associates, and attorneys make **Kavanagh Gorozpe** **one of the firms with the greatest growth in Mexico, thanks to their members' academic education in prestigious universities and their professional experience in renowned firms, both in Mexico and abroad.**

OUR TEAM

DIVERSITY AND INCLUSION

We are **committed to social development without making any distinction** regarding gender, ethnic origin, social or economic situation, sexual orientation, physical or health condition, religion and/or political affiliation.

PRO BONO

We seek and focus on **addressing social issues that promote the growth and development of Mexico**, through our social practice for the benefit of certain vulnerable sectors of the population.
